25X1 1. [REDACTED] General
 25X1 Nicolae Radescu, former prime minister, will direct the activities of the
 25X1 Romanian resistance movement abroad.
 25X1 2. General Radescu will attempt to secure American assistance for the formation
 25X1 of a Romanian government-in-exile.
 25X1 [REDACTED] Comment: It is improbable that Radescu, who has little
 25X1 political activity, would assume actual direction of a Romanian
 25X1 resistance movement abroad. In view of the fact that he served as
 25X1 prime minister and stubbornly resisted resisted Communist encroachments,
 25X1 he might receive some honorary post in any resistance organization that
 25X1 is created.)
